Starlight Quilters Guild 3rd Qtr Board Meeting minutes

Suzanne plans to arrange for audit of the budget

Discussion of items from the suggestion box:

Earlier start time was considered, however since so many members work during the day which makes it difficult to have the earlier start time, it seemed better to be more efficient with timing of guild meeting agenda.

> Budget will be placed in the newsletter rather than recited at the meeting, committee reports can be kept short, break timing should be adhered to.

The guild owns several quilt stands which need to be located, One is needed on a regular basis to disply the opportunity quilt, and we should have one or two on hand for speakers to use.

Necessity of the "Bucket Babes" as a fund raiser was discussed, no action taken.

The guild will need a quilt show committee for the 2024 quilt show. Venue has not been selected.

Suggestion to try to incorporate new members more quickly into the guild, no procedures were proposed

The guild needs to have more volunteers for the next KCRQF. Proportion of membership to numbers of voluteers should be larger. Festival may be using this criteria to determine distribution of funds from profits staring with the next festival in 2025.

Committee reports that are made at the physical meetings are difficult to hear for those attending via zoom. Discussion to purchase a USB enabled camera to make the zoom experience better.

Small groups: Suzanne will be creating a survey online to determine what members would be interested in joining a small group.

Donna di Natale plans to determine the status of committee chairpersons and plans to form a nominating committee.

Sign up sheet for quilt holders and folders will be made available at the welcome table.

Next board meeting will be 10-17-23
